If we do not act responsibly in taking necessary measures, we will lose the ability to operate completely. We feel it is vital to our customers that they have a place to market their animals. In order to continue to stay open

Consignors will need to unload their animals and leave. Your check will be mailed to you.

If you need to pick up your check on Monday call 864-226-9014 and we will bring it out to your vehicle.

Our sale is broadcast live on the internet. You can view it by logging on to www.saledayauction.com

We are sorry to have to take such extreme measures. We are taking these steps in order to remain open during this pandemic and do our part in stopping the spread of this virus. We want to continue to provide a place for our customers to market their animals and do our part in keeping the meat supply chain going. If we all do our part to help control this virus as quickly as possible, we can return to normal sooner! Please stay home and stay safe!

These rules are effective until further notice and are subject to change due to government actions.

We appreciate your understanding and pray that each of you will not get sick!

Thank you,

Marty & Sandra Fulghum
